XT Rental Cart

There is nothing like the real thing

The XT Rental Cart has become an integral part of the golf club and can be seen on many golf courses worldwide including championship courses such as The Belfry, Gleneagles, Turnberry and St. Andrews.

Manufactured in Britain for the past 30 years the XT rental Cart satisfies the Golf Professionals demand for high quality, well-balanced, durable rental carts. With quality and service being paramount the XT Rental Cart has a 2 year guarantee. Don't play a round with anything but the genuine article.

Globe Leisure Products profile

With a background in precision engineering Globe Leisure products have been working with Titleist for over 15 years. Globe Leisure Products high standards of quality made them an obvious choice for Titleist when looking for a company to take over the manufacturing of the Rental Cart. Since 1999 Globe Leisure Products have become an established name in the industry with the XT Rental Cart.

A Full range of Spares

Globe Leisure Products hold a considerable amount of new carts and spare parts ready for despatch these parts are universal for both existing Titleist Rental Cart & for the XT Rental Carts.

Advertising Board

Many clubs have enhanced the profitability of their rental cart fleet by the addition of advertising space to each cart. In many cases the whole investment in the fleet can be recouped, making each round pure profit. The advertising can be one sponsor for the whole year, or changed for corporate days, or simply the name of the Golf Club or the Golf Professional.

Advertising boards can be fitted to all XT Rental Carts, and existing Titleist Rental Carts.
